Experienced photographer and filmmaker bringing stories to life through pictures and videos.

Professional experiences

Photographer/Videographer and IT expert (2014 – Present)

thomaslhomme.com (Everywhere)

- Freelance photographer and filmmaker working for NGOs and startups especially in the education, women empowerment, poverty and medical sector. Projects were managed from the beginning : Scheduling, Shooting and Editing were for the majority realized abroad.
- Some of my customers are USAID, Global Citizen, More Than Me and ESRA Congress.
- Giving trainings on my spare time on Java/JEE technology development.

Media Fellow (05/2015 – 12/2015),(03/2015 – 06/2015)

More Than Me (Monrovia, Liberia)

- Contractual assignments to create short film realization and production, photography and storytelling to increase and promote education of marginalized girls living in the Monrovia's West Point slum.
- Photo journalism about global state of Liberian education system.
- Management of social media platforms.
- Successfully created significant content for the organization.
- Successfully sell and expose photos for the organization in New York.

Media Fellow (01/2014 – 10/2015)

Kids Home Foundation (Chiang Mai, Thailand)

- Created humanitarian and social photography as well as videos.
- Conducted social and educational activities in slums and orphanages for migrant kids.
- Software and website development.
- Technical trainer for staff to improve their computer skills.

Project Manager (2008 – 2014)

Reflexys/Isantys (Bordeaux, France – Libreville, Gabon)

- Managed team of six working on software and website development.
- All size project in software and website management.
- Technical training animator in software development, video and photography.

Personal experiences

Photographer/Storyteller (2015)
Rand[homme] (Bordeaux, France)

- Inspired by "Humans Of New York", developed a social and photographic project to get random testimony from local citizens. Asked random questions chosen by the throw of the dice. (<http://www.randhomme.com>)
